2016 Salary Ordinance

In front of the council for introduction is the 2016 Salary Ordinance. At this time, this document is the 2015 Ordinance without changes. I have had a brief discussion with Todd about some recommendations from him and need to finish that discussion and want to have a discussion with the council regarding the salaries during the meeting.

The final document will be presented to the council in the December meeting with changes from the discussions.

Pete
