

PROPOSAL

Issue:

As we look to improve traffic congestion at Tiger Drive and River Road, we will need to engage engineering services to provide assessment and planning.

Proposal:

BF&S has submitted the attached quote to study locations and provide recommendations for future roadway and intersection improvements. Also attached is the map of the study area. In addition to preparing the study, the agreement includes funding application assistance.

Cost:

\$88,620.00

Cost to be paid from MVH & LRS Professional Services 2201001331 & 2202001331
