

PROPOSAL

Issue:

We do not have spare pumps for two of our Wastewater lift stations. The WWTP staff likes to have a spare in stock for each lift station in case of pump failure.

Proposal:

American Pump Repair & Service submitted the following quote for a spare pump for the 169 lift station. BBC Pump & Equipment submitted the attached quote for a spare pump for the Woodland Gardens lift station.

Cost:

\$13,927.50

Cost to be paid from WWTP-Collection Replacement/Repairs Equipment 6203001340
