Phone (765) 759-7760 Fax (765) 759-4008

**Chief of Police
Kurt Walthour**

Dear Members of the Town Council,

I am writing to formally request approval for the acquisition of a new police vehicle for the Yorktown Police Department. As you are aware, ensuring our law enforcement officers have reliable and safe vehicles is crucial for maintaining public safety and effective policing in our community.

The total cost for the vehicle, including essential equipment such as lights and markings, is \$61,281.94. This allocation covers all necessary expenditures to equip the vehicle appropriately for law enforcement duties.

Investing in this new vehicle is not only a proactive measure to enhance operational efficiency but also demonstrates our commitment to providing our officers with the tools they need to serve our community effectively.

I am available to provide any additional information or answer any questions you may have regarding this request.

Sincerely,

Kurt Walthour
Chief of Police
Yorktown Police Department
