

## **PROPOSAL**

### **Issue:**

The fire department's Engine 63 has reached the end of its useful life. This is one of the trucks that is being replaced in the next few weeks.

### **Proposal:**

Chief Boone would like to donate this 1994 apparatus to the Muncie Area Career Center Fire Science Program once the new truck arrives. Before we can donate it, the vehicle must be declared as surplus by the town. This is accomplished via Surplus Resolution 2025-05 which is attached.
